Mr. Mark A. Perkins, President
Perkin Engineering Consultants, Inc.
6001 Interstate 20 West, Suite 219
Arlington, TX 76017

Dear Mr. Perkins:

We are pleased to inform you that your renewal application for this Department's Small Business Enterprise (SBE) Program has been approved. Your firm is now approved as a SBE to **July 31, 2016**. Your firm's Vendor Number (VN) is **24200**. Your firm can now bid, as a SBE, in the following work function(s):

Professional Services: Engineering, Miscellaneous: Water and Wastewater Treatment Planning and Design Services

Your firm will continue to be included in this Department's SBE Directory. This Department has a web page located at www.txdot.gov. It is your responsibility to ensure that the business contact information (i.e. address and phone numbers) is correct and notify us immediately if it is not.

You are required to notify this office IMMEDIATELY if your firm becomes certified in some other certification program. Changes in ownership, large gross receipt increases, contact address or business phone numbers must be submitted to this Department immediately. Failure to notify us of significant changes in your business can result in your firm being removed from the Department's SBE Program.

We will contact you with instructions for recertification before your expiration date. If we can be of further assistance regarding the SBE Program, please feel free to contact Christina Calvo at (512) 486-5510 and refer to **VN 24200**.

Sincerely,

C. Benjamin Anyacho, MBA
